

ARCHITECTURAL AUTHENTICITY, UNPARALLELED PERFORMANCE

Designed in conjunction with leading architects to provide authentic architectural style, A-Series windows and patio doors offer all of the options you need to easily create the look you've been dreaming of. Beyond delivering the style you want, A-Series products are the best performing, most energy-efficient windows and patio doors Andersen offers for true peace of mind.

- Exteriors are protected by a Fibrex[®] composite material and fiberglass for superior strength, stability and long-term beauty.
- Exterior finish never needs painting and won't flake, rot, blister, peel or corrode*
- Weather-resistant construction for greater comfort and energy efficiency
- Rigorously tested in extreme temperatures for long-lasting performance
- With their weather-resistant seals, A-Series windows and doors can withstand up to eight inches of rain per hour and hurricane-force winds**
- Many A-Series windows and patio doors have options that make them ENERGY STAR[®] v. 6.0 certified throughout the U.S.
